HUNTING REGULATIONS

(All Dates Given Inclusive)

APPLICATION INSTRUCTIONS: All applications postmarked before 12 o'clock midnight, July 31, 1956, will be accepted. Applications are to be made only on forms made available by the Montana Fish and Game Department, either through license dealer agents or direct from the State Fish and Game Department, Helena, Montana. Application forms for residents and non-residents will be available upon request. All applicants must have a valid big game license. A drawing will be held in Helena on August 15, 1956, beginning at 9:00 a.m.

APPLICATIONS FOR NON-RESIDENT BIG GAME SPECIAL PERMITS will be handled similar to those of residents. Those who purchase a $100.00 license will be sent application forms for applying to enter drawings for special permits to hunt moose, mountain sheep, mountain goats and antelope. Fees only will be returned if applicant is unsuccessful. These fees are $25.00 for moose, $15.00 for sheep, $5.00 for goats and there is no fee for antelope.

SPECIAL 1956 ANTELOPE SEASON

AS MANY AS SIX PERSONS MAY APPLY AS A GROUP ON ONE APPLICATION FORM. ALL APPLICATIONS MUST BE ACCOMPANIED BY THE ANTELOPE COUPONS FROM THE BIG GAME LICENSES.

A LIMITED NUMBER OF BUCK PERMITS will be issued after the regular drawing for Areas 4, 7, 8, 9, 11, 12, 13, 18, 19, 20, 23, 24, 25, 26, 27, 32 and 42. Please indicate on the application form that in the event you are unsuccessful in the drawing, whether or not you will accept a permit for bucks only in any of the areas listed above. List areas in order of your choice.

NON-RESIDENTS may purchase a special $20.00 antelope permit from license dealer agents in the following areas without having a Non-Resident $100.00 Big Game License: Areas 25, 26, 27, 30, 33, 34, 35 and 36.

NOTE: Areas that do not indicate number of permits will be assigned a number when spring census figures have been compiled, prior to the August 15th drawing.

26. **GARFIELD, ROSEBUD and CUSTER COUNTIES:** That portion of these counties bounded on the north by Highway 18, on the east by Highway 22, on the south by the Yellowstone River and Highway 6 and on the west by the Musselshell River, shall be open to the hunting of antelope of either sex by permit only from October 7 through November 15.

27. **GARFIELD, McCONE, DAWSON, PRAIRIE, CUSTER and ROSEBUD COUNTIES:** That portion of these counties bounded on the south by the Yellowstone River, on the east and on the north by Highway 18 and on the southwest by Highway 22, shall be open to the hunting of antelope of either sex by permit only from October 7 through November 15.

28. **McCONE and GARFIELD COUNTIES:** That portion of these counties lying north of Highway 18, west of Highway 13, and east of Big Dry Creek, except the Fort Peck Game Range, shall be open to the hunting of antelope of either sex by permit only from September 8 through November 15.

29. **McCONE, RICHLAND and DAWSON COUNTIES:** That portion of these counties lying east of Highway 13, north of Highway 18, and northwest of the Yellowstone River, shall be open to the hunting of antelope of either sex by permit only from September 8 through November 15.

30. **BIG HORN, TREASURE, ROSEBUD and CUSTER COUNTIES**—South Rosebud Area: That portion of these counties within the the following boundary: Beginning at Miles City, thence up the Tongue River to the Cheyenne Reservation, thence in a westerly direction along the northern boundary of the Cheyenne and Crow Reservations to the head of Sarpy Creek, thence down Sarpy Creek to the Treasure County line, thence in a westerly direction along said line to the Big Horn River, thence down the Big Horn River to the Yellowstone River, thence down the Yellowstone River to Miles City, the point of beginning, shall be open to the hunting of antelope of either sex from October 7 through November 15.

31. **VALLEY and PHILLIPS COUNTIES**—North Valley Area: That portion of these counties lying north of Highway 2 and east of Frenchman Creek, with the exception of the Cherry Creek Preserve, shall be open to the hunting of antelope of either sex by permit only from September 8 through November 15.

31a. **SHERIDAN and ROOSEVELT COUNTIES**—Medicine Lake Area: That portion of these counties lying north of Highway 2, east of Highway 16, and south of Highway 5, with the exception of Medicine Lake Refuge, shall be open to the hunting of antelope of either sex by permit only from September 8 through November 15.

32. **WIBAUX, RICHLAND and DAWSON COUNTIES**—Wibaux Area: That portion of these counties lying east of the Yellowstone River and north of Highway 10 shall be open to the hunting of antelope of either sex by permit only from September 8 through November 15.

33. **DAWSON, WIBAUX, PRAIRIE, CUSTER and FALLON COUNTIES**—Ismay Area: That portion of these counties lying south of Highway 10 east of the Yellowstone River and north of Highway 12, shall be open to the hunting of antelope of either sex by permit only from October 7 through November 15.

34. **CUSTER, ROSEBUD, BIG HORN and POWDER RIVER COUNTIES:** That portion of these counties lying between the Powder and Tongue Rivers and south of Highway 12, shall be open to the hunting of antelope of either sex by permit only from October 7 through November 15.

35. **CUSTER, FALLON, POWDER RIVER and CARTER COUNTIES:** That portion of these counties bounded on the west by Powder River, on the north by Highway 12, on the east by the Baker-Ekalaka-Hammond road and south of the Hammond-Alzada road (Highway 212), shall be open to the hunting of antelope of either sex by permit only from October 7 through November 15.

36. **FALLON and CARTER COUNTIES:** That portion of these counties bounded on the north by Highway 12, on the west by the Baker-Ekalaka-Hammond road and on the south by Highway 212, shall be open to the hunting of antelope of either sex by permit only from October 7 through November 15.

41. **BROADWATER and JEFFERSON COUNTIES**—Radersburg Area: That portion of Broadwater County lying west of the Missouri River and that portion of Jefferson County lying east of the Helena-Boulder-Cardwell road and north of Highway 10, shall be open to the hunting of thirty-five (35) buck antelope by permit only from October 20 through November 5.

42. **CASCADE COUNTY**—Hound Creek Area: That portion of Cascade County lying south of the Missouri River and west of the Smith River, shall be open to the hunting of antelope of either sex by permit only from October 15 through November 15.

43. **BROADWATER, GALLATIN, JEFFERSON and MADISON COUNTIES**—Willow Creek Area: That portion of these counties lying within the following described boundary: Beginning at Bozeman, thence along Highway 10 to Sappington Junction, thence along Highway 1 to Norris, thence along the Norris-Bozeman cutoff road to Bozeman, shall be open to the hunting of fifty (50) antelope of either sex by permit only from October 20 through November 5.

44. **JEFFERSON, SILVER BOW and MADISON COUNTIES**—Waterloo Area: That portion of these counties lying within the following described boundary: Beginning at Boulder, thence along the Boulder-Whitetail road to Whitehall, thence east along Highway 10 to Sappington, thence south along Highway 1 to Ennis, thence along Highway 34 to Twin Bridges, thence along the Big Hole River to Divide, thence along Highway 91 to Boulder, shall be open to the hunting of antelope of either sex by permit only from October 20 through November 5.

45. **BEAVERHEAD and MADISON COUNTIES**—Rattlesnake Area: That portion of these counties lying within the following described boundary: Beginning at the mouth of Grasshopper Creek, thence up said creek to Dyce Creek, thence up said creek to the Pioneer Range divide, thence along said divide to Rock Creek, thence down said creek to the Big Hole River and to the Beaverhead River, thence up said river to Grasshopper Creek, the point of beginning, shall be open to the hunting of one hundred (100) antelope of either sex by permit only from October 20 through November 5.

46. **BEAVERHEAD COUNTY**—Sheep Creek Area: That portion of Beaverhead County lying south of the Horse Prairie Creek road and west of Highway 91, shall be open to the hunting of antelope of either sex by permit only from October 20 through November 5.

47. **BEAVERHEAD and MADISON COUNTIES**—Blacktail Area: That portion of these counties bounded on the west and south by the Blacktail drainage, on the east by the Ruby River and on the north by the Beaverhead River, shall be open to the hunting of fifty (50) antelope of either sex by permit only from October 20 through November 5.

48. **BEAVERHEAD COUNTY**—Centennial Area: That portion of Beaverhead County lying east of Highway 91 and within the Red Rock River drainage above Clark Canyon near Armstead (the Red Rock Refuge shall be excluded from this area), shall be open to the hunting of two hundred and twenty-five (225) antelope of either sex by permit only from October 20 through November 5.

49. **PARK and SWEET GRASS COUNTIES**—West Boulder Area: That portion of these counties beginning at Livingston, thence in an easterly direction along Highway 10 to Big Timber, thence in a southerly direction up the Boulder River to its source, thence following the Yellowstone-Boulder divide in a northwesterly direction to Livingston, the point of beginning, shall be open to the hunting of fifty (50) antelope of either sex by permit only from Otcober 20 through November 5.

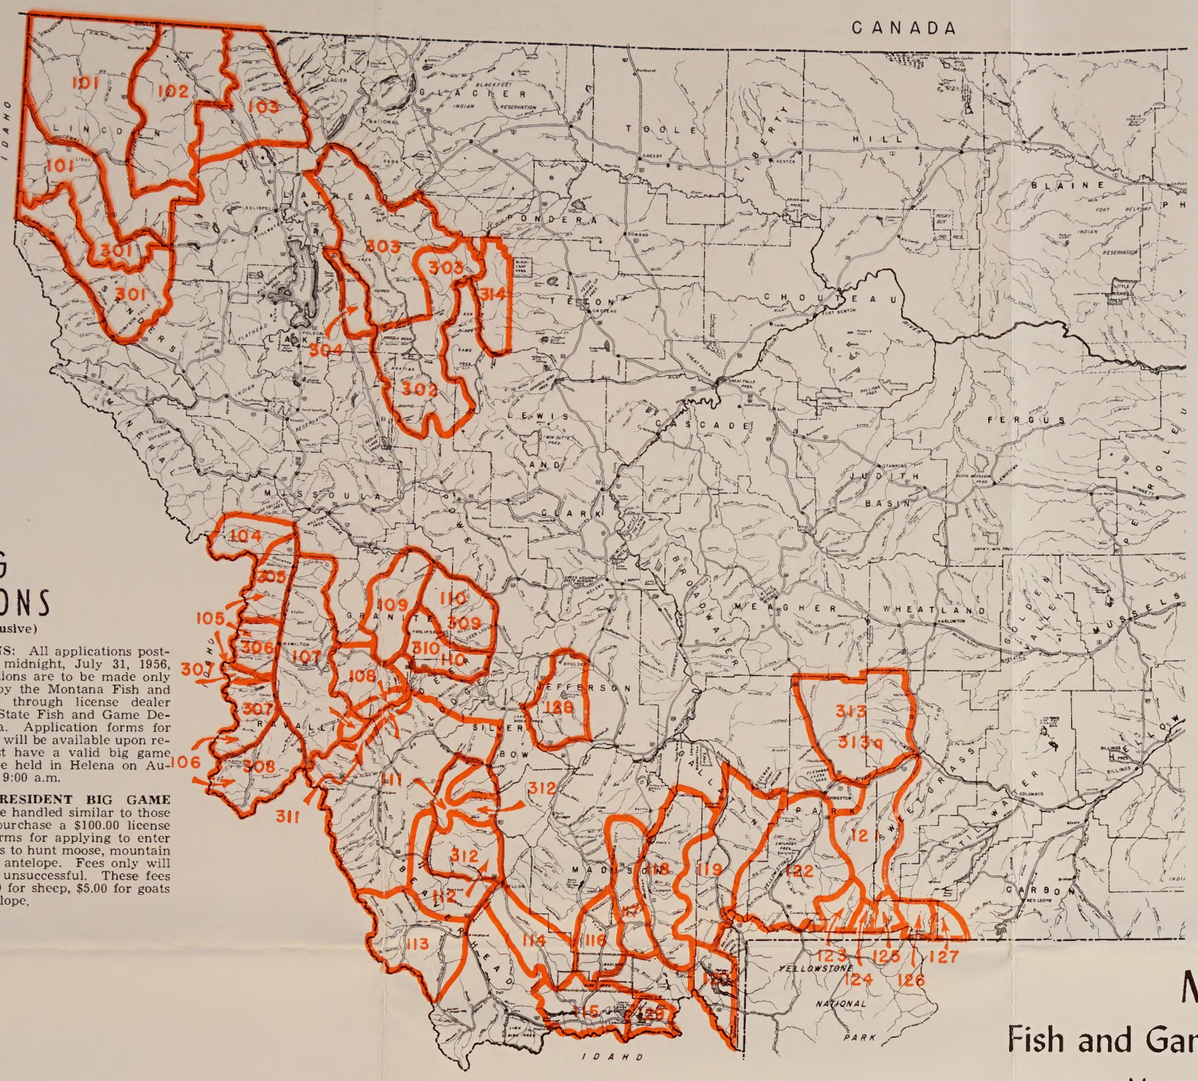
50. **GALLATIN COUNTY**—North Gallatin: That portion of Gallatin County lying north of Highway 10 and lying within the Missouri River drainage, shall be open to the hunting of one hundred (100) antelope of either sex by permit only from October 20 through November 5.

51. **MADISON COUNTY:** That portion of Madison County lying within the Madison River drainage between Falls Creek and Squaw Creek on the east side of the river and between Highway 34 and Standard Creek on the west side of the Madison River, shall be open to the hunting of one hundred (100) antelope of either sex by permit only from October 20 through November 5.

52. **PARK, MEAGHER and GALLATIN COUNTIES**—Shields River Area: That portion of these counties lying within the Shields River drainage and that portion of Meagher County lying within the Sixteen Mile Creek drainage, shall be open to the hunting of seventy-five (75) antelope of either sex by permit only from October 20 through November 5.

53. **SWEET GRASS and PARK COUNTIES**—Big Timber Area: That portion of these counties bounded on the south by the Yellowstone River, on the west by Duck Creek and on the north and east by Sweet Grass Creek, shall be open to the hunting of antelope of either sex by permit only from October 20 through November 5.

WESTERN LITHO-PRINT, INC., BILLINGS, MONT.



HUNTING REGULATIONS

(All Dates Given Inclusive)

APPLICATION INSTRUCTIONS: All applications postmarked before 12 o'clock midnight, July 31, 1956, will be accepted. Applications are to be made only on forms made available by the Montana Fish and Game Department, either through license dealer agents or direct from the State Fish and Game Department, Helena, Montana. Application forms for residents and non-residents will be available upon request. All applicants must have a valid big game license. A drawing will be held in Helena on August 15, 1956, beginning at 9:00 a.m.

APPLICATIONS FOR NON-RESIDENT BIG GAME SPECIAL PERMITS will be handled similar to those of residents. Those who purchase a $100.00 license will be sent application forms for applying to enter drawings for special permits to hunt moose, mountain sheep, mountain goats and antelope. Fees only will be returned if applicant is unsuccessful. These fees are $25.00 for moose, $15.00 for sheep, $5.00 for goats and there is no fee for antelope.

1956 SPECIAL GOAT SEASON

PERMITS are required to hunt mountain goats in all areas. Where the number to be taken is unlimited, permits will be available from the State Fish and Game Department, Helena, Montana, and from license agents in those areas.

101. LINCOLN COUNTY—Libby Area: That portion of Lincoln County lying south and west of the following described line: Commencing at the Lincoln County line and the Brush Creek divide, thence along the road to Fairview, Wolf Creek and Jennings, thence up the Kootenai River to the Canadian line, shall be open to the hunting of ten (10) mature bull moose by permit only from September 15 through November 30.

102. LINCOLN COUNTY—Eureka Area: That portion of Lincoln County lying north and east of the following described line (excluding the Stillwater River drainage): Commencing at the Lincoln County line and the Brush Creek divide, thence along the road to Fairview, Wolf Creek and Jennings, thence up the Kootenai River to the Canadian line, shall be open to the hunting of fifteen (15) mature bull moose by permit only from September 15 through November 30.

103. FLATHEAD and LINCOLN COUNTIES—Whitefish Range: That portion of Flathead County lying within the Whitefish Creek drainage above Whitefish Lake, that portion of the Stillwater above the divide between Logan and Good Creeks, and that portion lying within the North Fork of the Flathead River drainage above and including the Canyon Creek drainage, shall be open to the hunting of fifteen (15) mature bull moose by permit only from September 15 through November 30.

104. MISSOULA and RAVALLI COUNTIES—Lolo Creek Area: That portion of these counties lying within the drainage of Lola Creek shall be open to the hunting of five (5) mature bull moose by permit only from September 20 through November 30.

105. RAVALLI and MISSOULA COUNTIES—West Side Bitterroot: That portion of these counties west of the Bitterroot River, south of Lolo Creek and north of Rock Creek, shall be open to the hunting of five (5) mature moose of either sex by permit only from September 20 through November 30.

106. RAVALLI COUNTY—West Fork: That portion of Ravalli County lying west of Highway 93 and south of Lost Horse Creek, shall be open to the hunting of ten (10) mature moose of either sex by permit only from September 20 through November 30.

107. RAVALLI COUNTY—East Side Bitterroot: That portion of Ravalli County lying east of Highway 93, except the Skalkaho Game Preserve, shall be open to the hunting of fifteen (15) mature moose of either sex by permit only from September 20 through November 30.

108. GRANITE COUNTY—Upper Rock Creek Area: That portion of Granite County lying within the drainages of the West Fork, Ross Fork, Middle Fork and East Fork of Rock Creek, shall be open to the hunting of thirty (30) mature moose of either sex by permit only from November 15, 1956 through January 15, 1957.

109. GRANITE COUNTY—Willow Creek Area: That portion of Granite County bounded on the east by Highway 10A, on the south by Highway 38, on the west by Rock Creek, Upper Willow-Rock Creek divide, and Harvey Creek and on the north by Highway 10, shall be open to the hunting of ten (10) mature moose of either sex by permit only from September 20 through November 30.

110. DEER LODGE, GRANITE and POWELL COUNTIES—Flint Creek Range: That portion of these counties known as the Flint Creek Range, which is bounded by Highways 10, 10S, and 10A, shall be open to the hunting of ten (10) mature moose of either sex by permit only from September 20 through November 30.

111. BEAVERHEAD, DEER LODGE and SILVER BOW COUNTIES—Big Hole Area: That portion of these counties lying within the Big Hole River drainage above Rock Creek and bounded on the east side by Highway 91, shall be open to the hunting of eighty (80) mature moose of either sex by permit only from October 15 through December 31.

112. BEAVERHEAD COUNTY—Grasshopper Area: That portion of Beaverhead County lying within the Grasshopper, Rattlesnake, Willow and Birch Creek drainages, shall be open to the hunting of twenty-five (25) mature moose of either sex by permit only from October 15 through November 30.

113. BEAVERHEAD COUNTY—Medicine Lodge-Horse Prairie Area: That portion of Beaverhead County lying within the drainages of Medicine Lodge and Horse Prairie Creeks shall be open to the hunting of fifteen (15) mature moose of either sex by permit only from October 15 through November 30.

114. BEAVERHEAD COUNTY—Blacktail Area: That portion of Beaverhead County lying within the Blacktail Creek drainage shall be open to the hunting of five (5) mature moose of either sex by permit only from October 15 through November 30.

115. BEAVERHEAD COUNTY—Lower Red Rock Area: That portion of Beaverhead County lying within the Red Rock drainage above Lima Dam and below Odell and Tepee Creeks, shall be open to the hunting of five (5) mature moose of either sex by permit only from October 15 through November 30.

116. MADISON and BEAVERHEAD COUNTIES—Ruby River Area: That portion of these counties lying within the Ruby River drainage above and including the drainages of Greenhorn and Ledford Creeks shall be open to the hunting of twenty (20) mature moose of either sex by permit only from October 15 through November 30.

117. MADISON COUNTY—West Fork of the Madison Area: That portion of Madison County lying west of the Madison River between and including the drainages of Standard Creek and Meadow Creek, shall be open to the hunting of fifteen (15) mature moose of either sex by permit only from October 15 through November 30.

118. MADISON and GALLATIN COUNTIES—Lower Madison-Spanish Creek Area: That portion of the Madison River drainage between Papoose Creek and Cherry Creek (both drainages included) and the Spanish Creek drainage, shall be open to the hunting of twenty-five (25) mature moose of either sex by permit only from October 15 through November 30.

119. GALLATIN and MADISON COUNTIES—Gallatin Area: That portion of these counties lying within the West Gallatin River drainage and bounded on the north by Highway 10, shall be open to the hunting of fifteen (15) mature moose of either sex by permit only from October 15 through November 30.

120. GALLATIN COUNTY—Hebgen Area: That portion of Gallatin County lying in the Madison River drainage shall be open to the hunting of ten (10) mature moose of either sex by permit only from October 15 through November 30.

121. PARK and SWEET GRASS COUNTIES—Boulder Area: That portion of the Boulder River drainage lying within these counties shall be open to the hunting of five (5) mature bull moose by permit only from October 15 through November 30.

122. PARK and GALLATIN COUNTIES—Yellowstone River Area: That portion of these counties lying within the Yellowstone River drainage above Livingston, excluding the Hellroaring-Cottonwood-Little Cottonwood-Buffalo Fork and Slough Creek areas, shall be open to the hunting of ten (10) mature moose of either sex by permit only from October 15 through November 30.

123. PARK COUNTY—Hellroaring Area: That portion of Park County lying within the drainages of Hellroaring, Cottonwood and Little Cottonwood Creeks, shall be open to the hunting of five (5) mature moose of either sex by permit only from September 15 through November 15.

124. PARK COUNTY—Buffalo Fork Area: That portion of Park County lying within the drainage of Buffalo Fork Creek shall be open to the hunting of five (5) mature moose of either sex by permit only from September 15 through November 15.

125. PARK COUNTY—Slough Creek Area: That portion of Park County lying within the drainage of Slough Creek shall be open to the hunting of five (5) mature moose of either sex by permit only from September 15 through November 15.

126. PARK COUNTY—Cooke City Area: That portion of Park County lying east of the Slough Creek drainage shall be open to the hunting of five (5) mature moose of either sex by permit only from September 15 through November 15.

127. CARBON COUNTY—Beartooth Plateau Area: That portion of Carbon County lying within the Gallatin National Forest boundary (south of Granite Peak), shall be open to the hunting of five (5) mature moose of either sex by permit only from September 15 through November 15.

128. JEFFERSON and SILVER BOW COUNTIES—Whitetail Area: That portion of these counties lying west of the Boulder-Whitehall road, north of Highway 10, and south of Highway 91 between Butte and Boulder, shall be open to the hunting of five (5) mature moose of either sex by permit only from October 15 through November 30.

129. BEAVERHEAD COUNTY—Upper Red Rock Area: That portion of Beaverhead County in the Red Rock River drainage above Odell and Tepee Creeks, shall be open to the hunting of twenty (20) mature moose of either sex by permit only from October 15 through November 30.

1956 SPECIAL SHEEP SEASON

Hunters are allowed only one sheep permit for each ten-year period, regardless of hunting success. This applies to previous permit holders beginning with the 1953 season.

WHERE THE NUMBER TO BE TAKEN IS UNLIMITED, permits will be available from the State Fish and Game Department, Helena, Montana.

AREA No.	Location	No.	Dates
201	Gallatin-Beartooth	Unlimited	Oct. 1-Oct. 7
202	Ural	10	Sept. 15-Nov. 15
203	Sun River	20	Oct. 15-Nov. 30
204	Fort Peck Game Range	10	Sept. 15-Nov. 15

201. GALLATIN, MADISON, PARK, SWEET GRASS, STILLWATER and CARBON COUNTIES—Gallatin-Beartooth Area: That portion of these counties bounded on the west by Highway 1 and the Reynolds Pass road, on the north by Highway 10, and on the east by the Cooke City Highway, shall be open to the hunting of an unlimited number of male mountain sheep with not less than a three-quarter curl horn by permit only from October 1 through October 7.

Permits will be issued to all eligible applicants.
